LEON HIGH SCHOOL

TALLAHASSEE, FLORIDA

GRADES 9-12

LION'S TALE

KAYE BATCHELOR, Editor-in-Chief — **JACK BRAND,** Business Manager

alma mater

The red clay hills of Tallahassee
Harbor memories dear
Memories of our dear old high school
That we all revere.
May we ever bring thee glory,
Always honor thee,
Keeping burning deep inside us,
Fires you kindled there.

To Leon, to Leon
We all sing to thee;
Faithful we'll always be
To our dear old Alma Mater,
We love thy classic halls
Forever more,
Loyal and ever true
Leon, to you.

1907 was the year Leon came to exist. Leon High School was established later in 1911, holding 400 students both grammar and high school. Horance Van Brunt, Everitt Lewis, now deceased and D. C. Dawkins only surviving member, were the only 3 graduates of 1907.

Increasement of students called for a dedication in the spring of 1936 for grades nine thru twelve.

Between 1953 and 1955, students were transferred to a new building excluding the seventh and eighth grades.

The Emblem of Leon remains the same: an old English L held up on either side by a lion.

The school colors red and white, signify courage and loyalty.

Leon stands tall and proud on her Golden Anniversary.

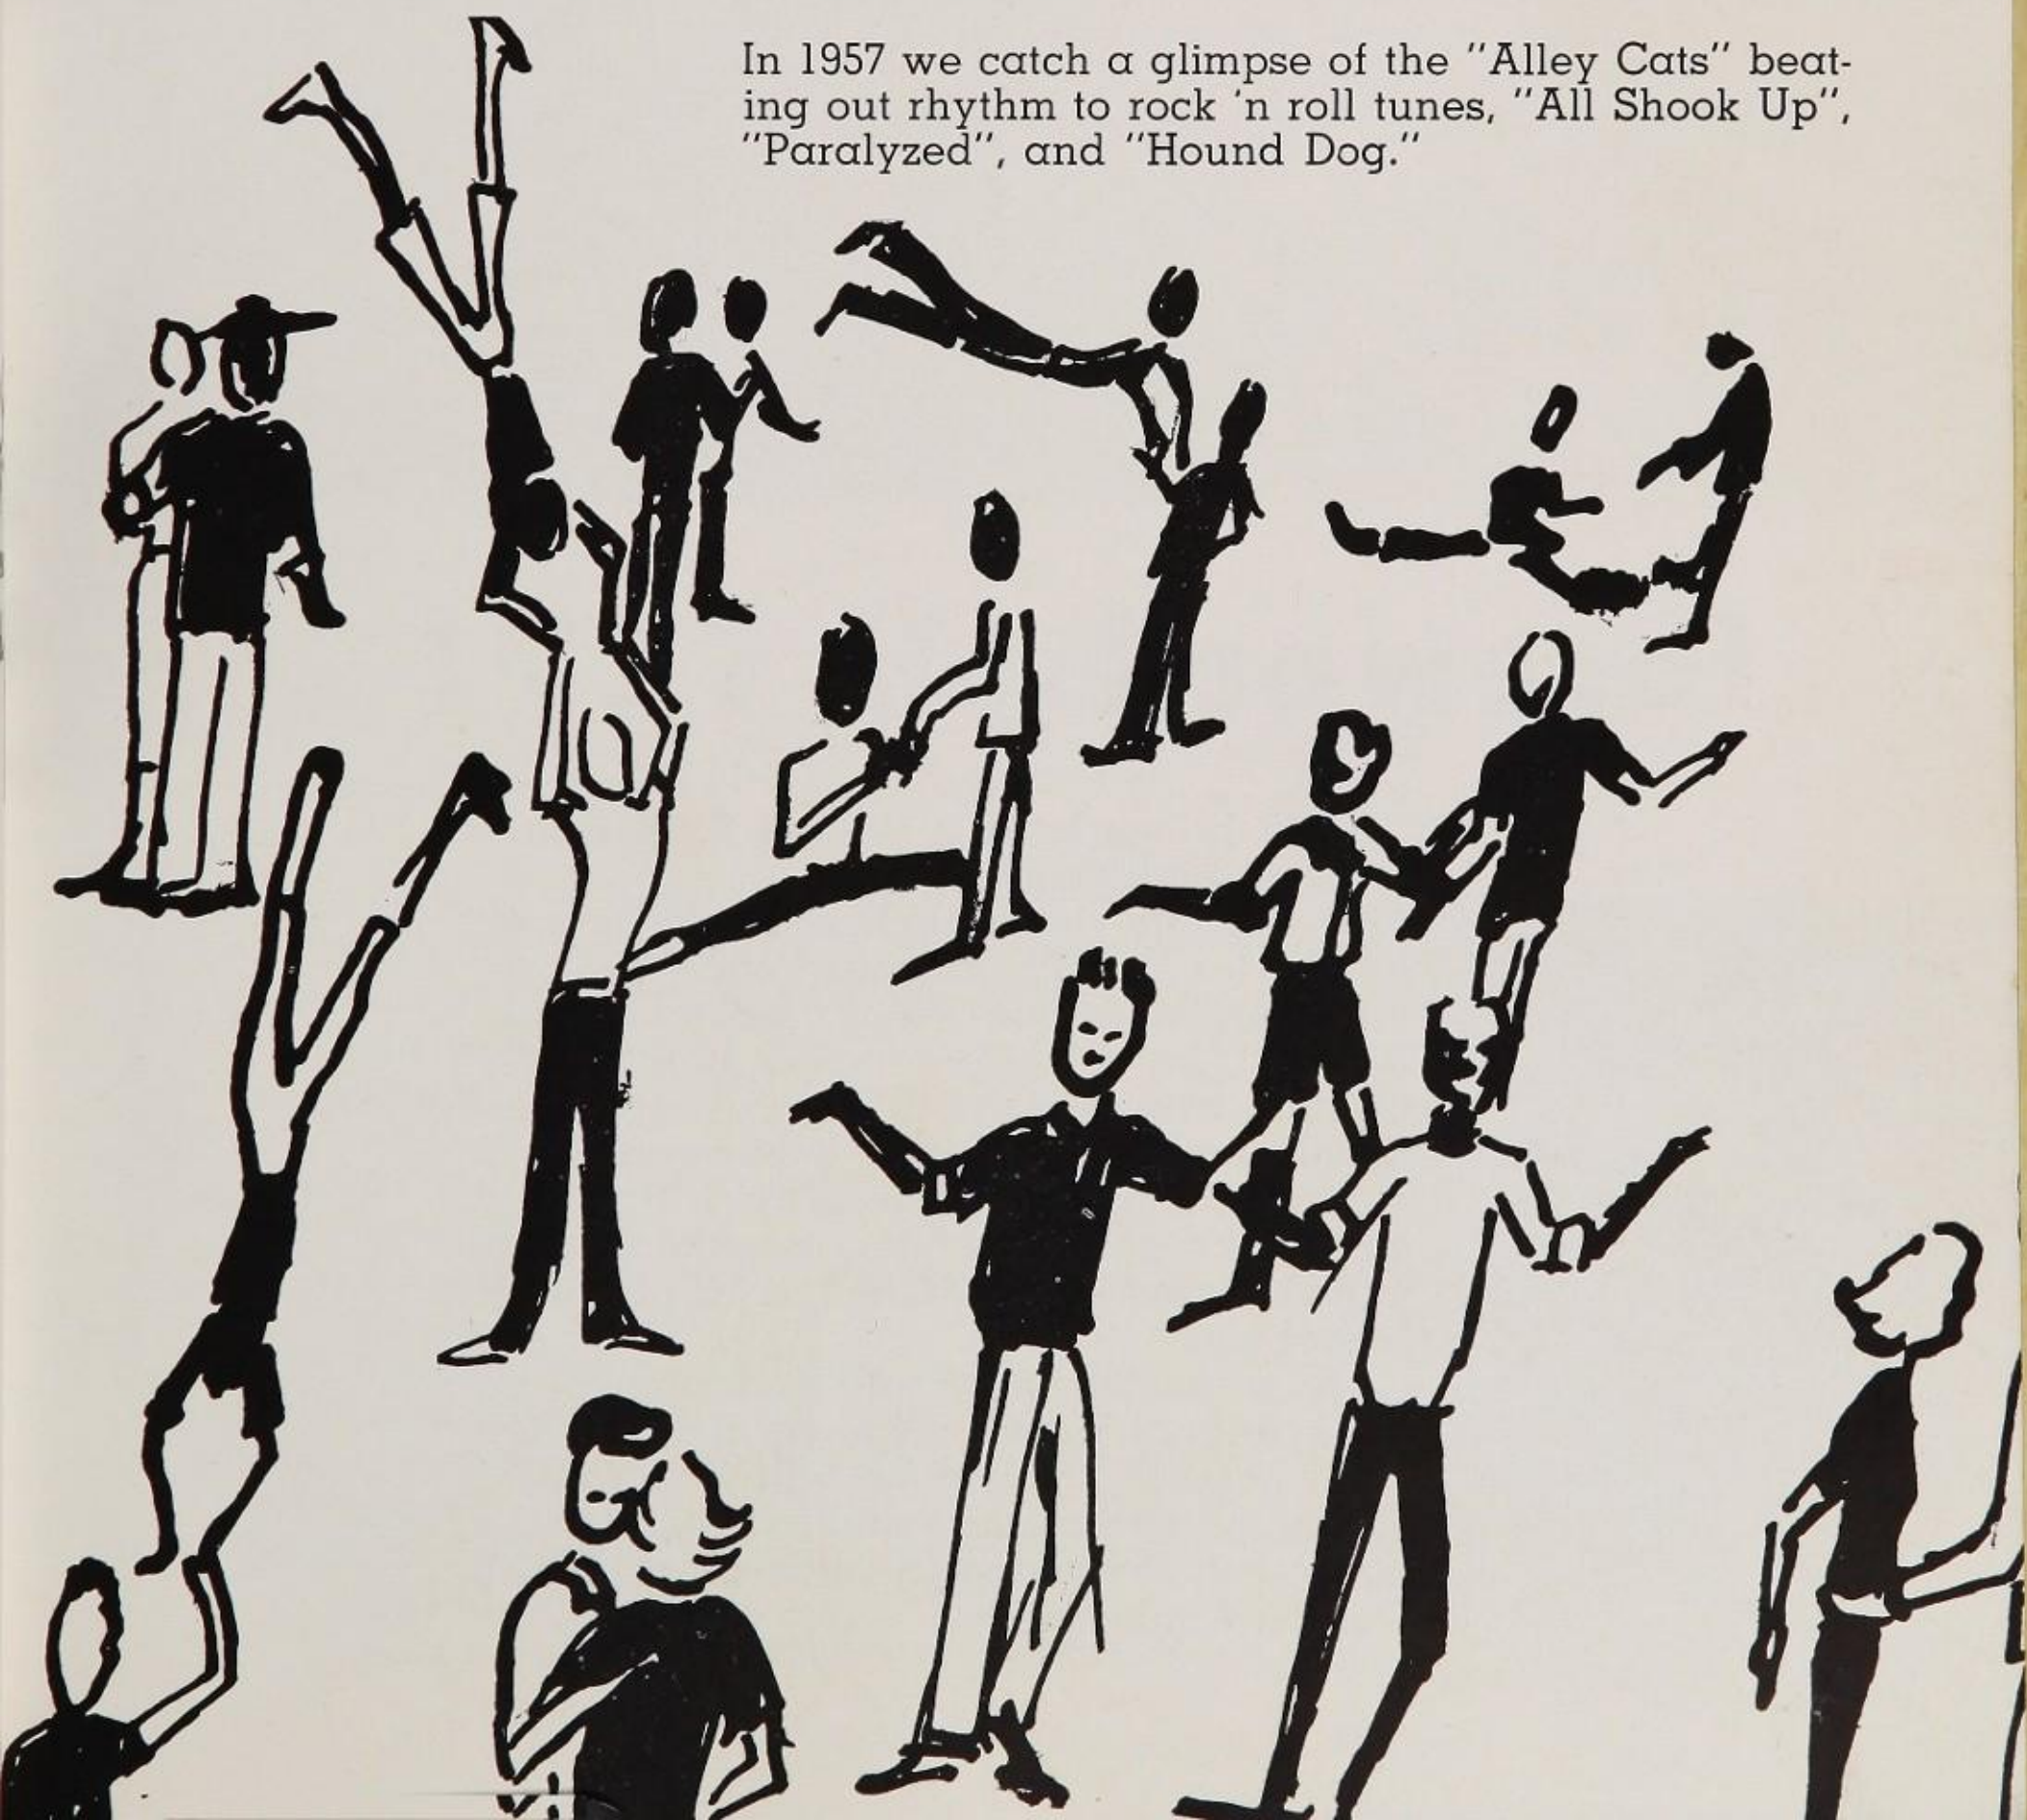
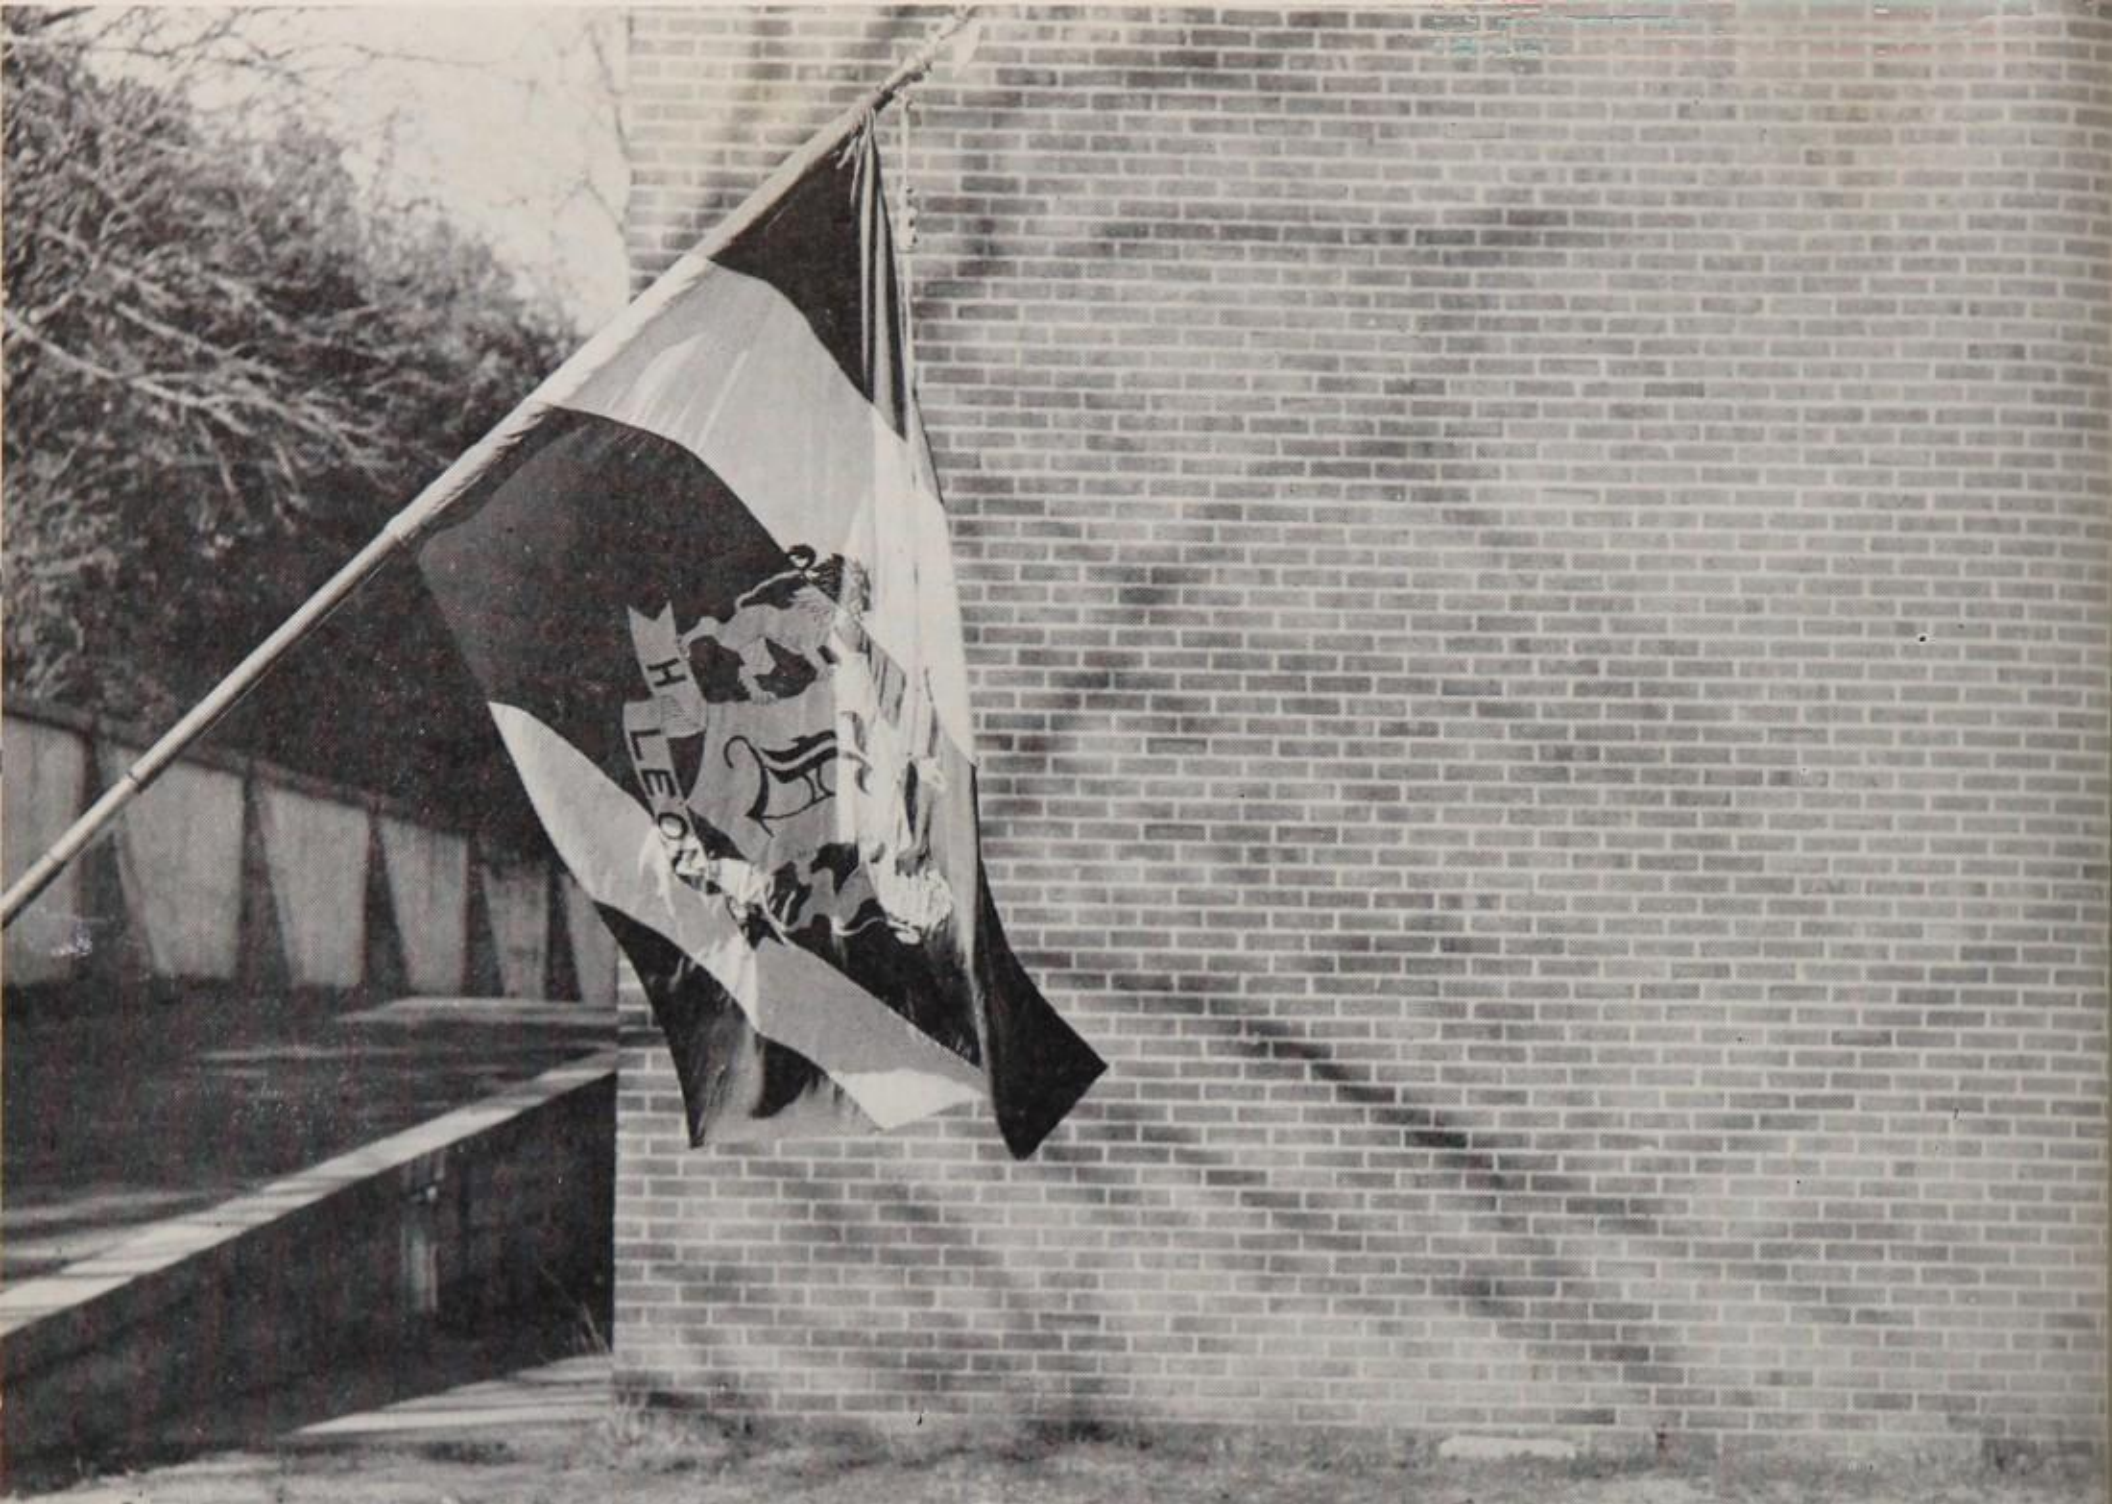
As we look into the year 1920 we find the Charleston — and such songs as: Yes Sir, That's My Baby, Ain't She Sweet, and Five Foot Two, were quite popular.

In 1957 we catch a glimpse of the "Alley Cats" beating out rhythm to rock 'n roll tunes, "All Shook Up", "Paralyzed", and "Hound Dog."





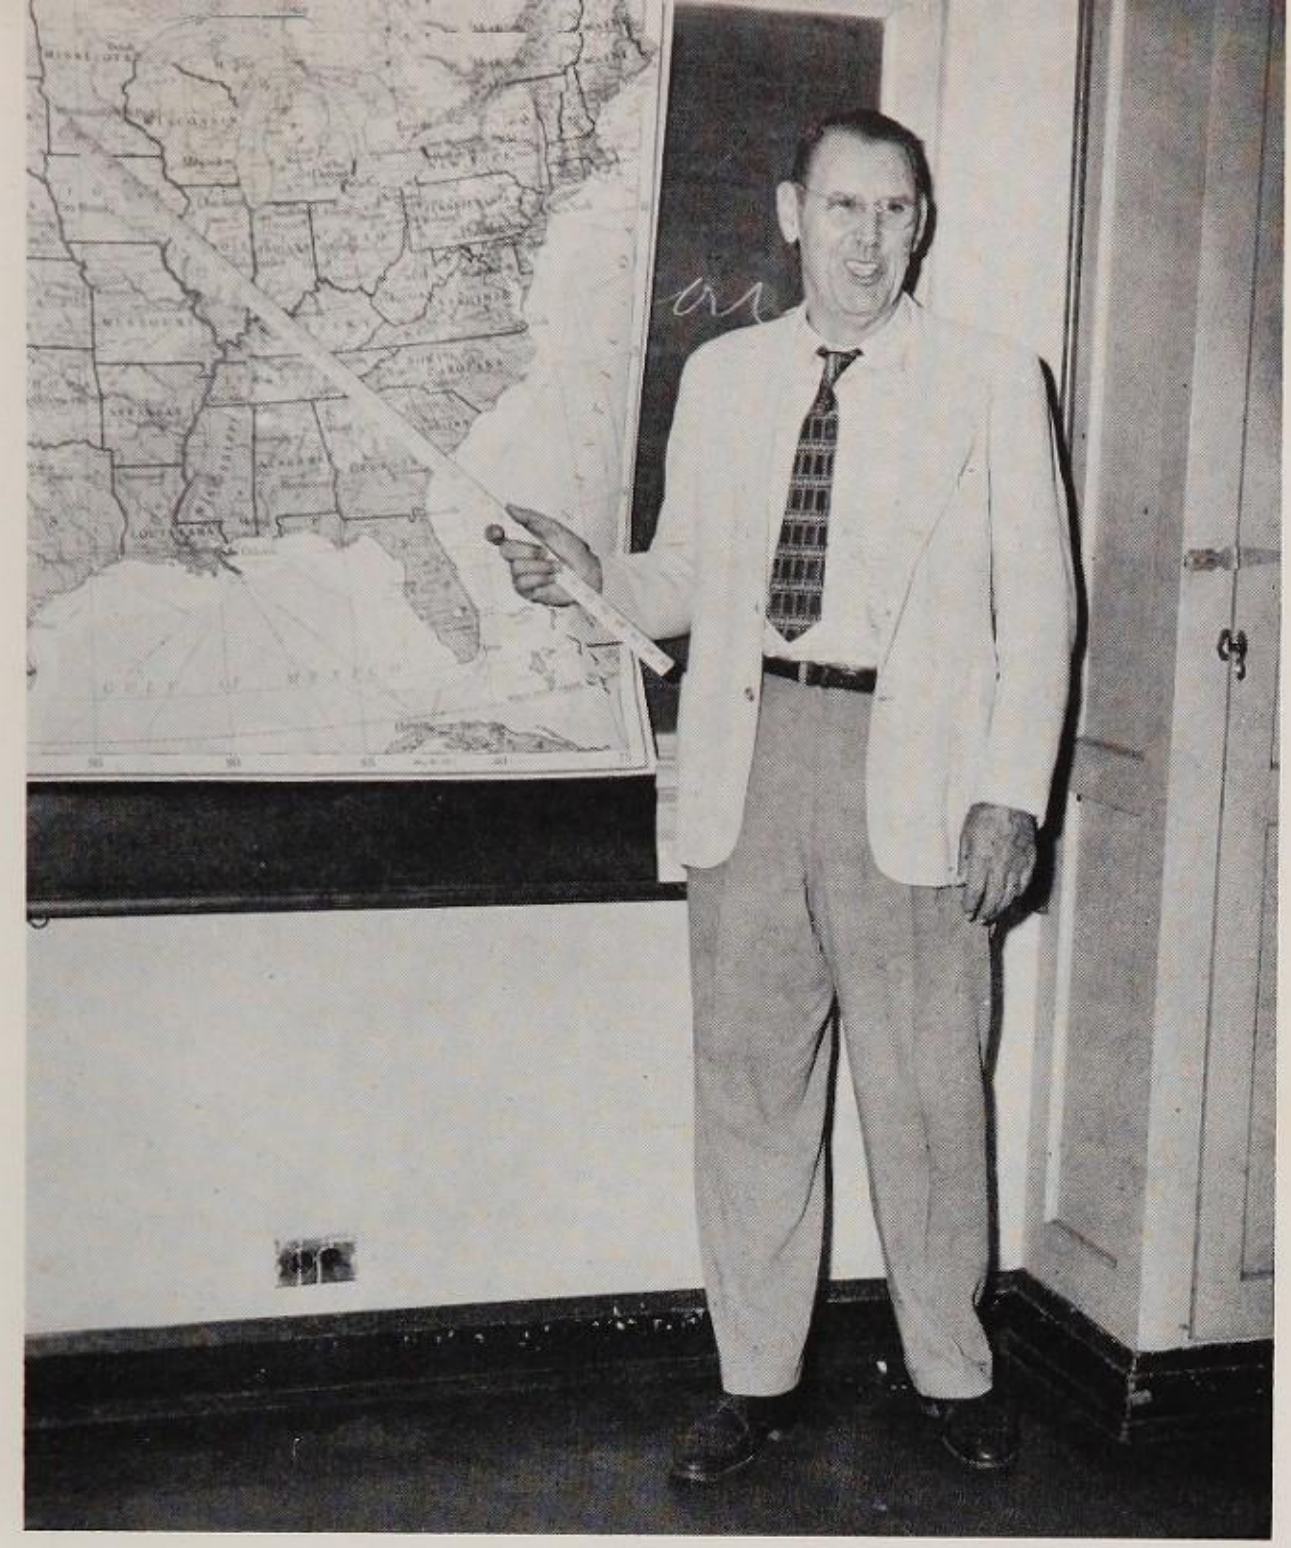
foreword

1957 brings forth a Golden Anniversary for Leon High School.

It was fifty years ago that the first school, named for Florida's famous Ponce de Leon, was founded in this county. Since its establishment, Leon has graduated many distinguished and honorable persons who promoted themselves to high achievements.

Students of Leon have always strived to maintain a genuine honor, esteemed sportsmanship, and good conduct in all phases of school life.

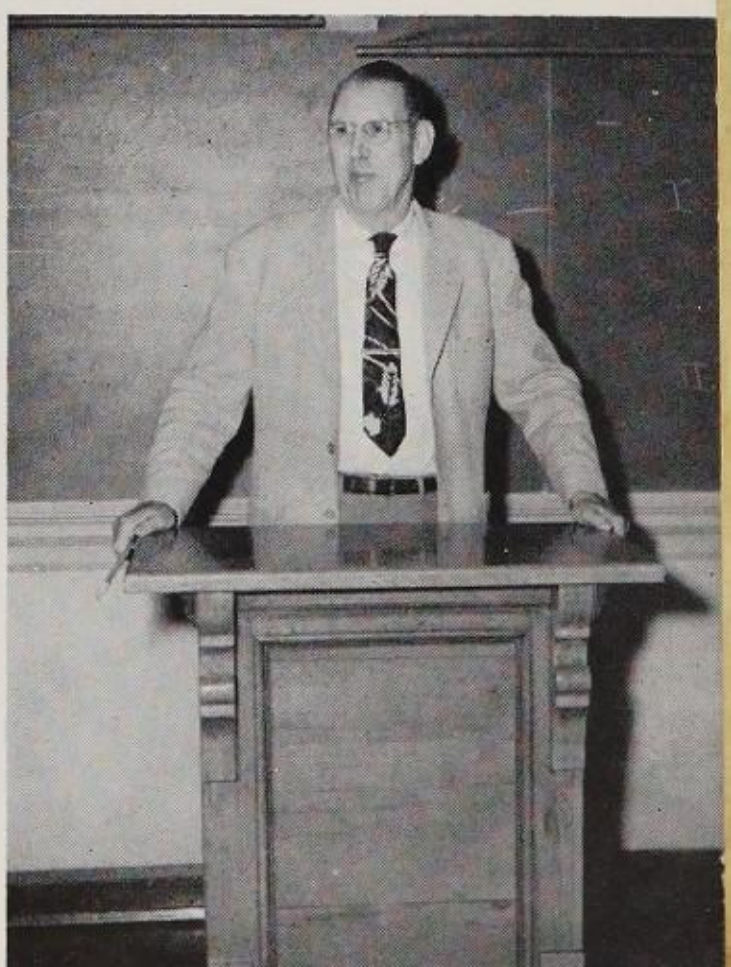
As students of Leon turn each page of his or her annual, we, the members of the annual staff, hope that everyone will look toward the future with promise and look back at the past with treasured memories of Leon's Golden Anniversary.



1957 dedication

There he stands with his ruler in hand,
That fellow you see is really quite a man.
He has a sense of humor, that makes an
atmosphere,
Friendly and contagious for all those
who are near.
Those days we have spent in "Prablems"
together,
Were rough going sometime just like the
weather;
But in presenting our annual to our teacher
"best of all,"
Our yearbook beckons and to you makes
its call.
Our 1957 Dedication to someone hard work-
ing but fun,
The one and only "Prablems" teacher,

Mr. Malcom Longsdon.



This is our 5th period Speech class. So glad to have you in class - You'll have three more years to do Speech work. Good luck!

Classes

One room packed with 35 students, plus traffic jams in the halls, with the mad rush to class, is quite a change from the first Leon school in 1907.

Enrollment has now increased in a period of fifty years from 400 to over 1,400 students with only grades nine through twelve.

The Marching Redcoats in Action

Redcoats

The band, better known as THE MARCHING REDCOATS, is an important part of Leon. Approximately 95 students make up the band, under the direction of Mr. Oliver Hobbs, now in his 7th year at Leon.

As a morale builder, the band is always on hand at pep rallies, and football games. It heads the pep parades, sponsors an assembly, and plays at the annual May Party and at all of the Graduation exercises.

As a pride builder it is often called upon, as honor, to lead city, state, county, or federal parades. It has upheld the pride of the school by earning Superior ratings at both district and state music festivals for the last seven years. It also presents an Annual Spring Concert.

There is a comradeship within the organization that is strengthened by the support of the student body, the faculty, and the Band Parents Association. The loyalty, good sportsmanship and hard work are a necessary part of the school.

Leon has sure been great to us this year. We've really had some good times together in English class, running Jessie batty and sometimes really having to study.

Just stay as sweet and as cute as you are and I know you'll go far. Best of luck in the future to a wonderful girl and a real friend.

Leon's 1956 Varsity

Football

Before the 1956 football season got underway, sports writers and prognosticators around the "Big Bend" predicted a great year for Leon's Lions. Despite the loss of last year's many stand-outs, defensively as well as offensively, Coach Roger Englert had returning Gene Page, Ronnie Simpson, and Charles Clark, three starters for two previous seasons. Using this as a back-bone, the former Missouri half-back and line coach Fred Snider built a team that wound up the regular schedule with a respectable 6 won, 4 loss record, plus a crack at the N. E. C. crown in a championship tilt with Fletcher High of Jacksonville.

As a result of the year's efforts, Gene, Charles, and Guard Larry Roberts were selected to the All Big Bend first team. Gene and Charles also gained a berth on the N. E. C. eleven. At the annual football banquet following the season, Ronnie received the Bobby Benson "Most Valuable Player" award, honoring his many contributions to the football year. Later in the year, at the Tallahassee Quarterback

Junior Varsity Football

Leon's Junior Varsity posted a very respectable record of 6-2-1 after playing their first full schedule in several years. The Baby Lions whose schedule consisted mostly of Georgia teams lost to Panama City and Moultrie. The Lions' victims included Bainbridge, Pelham, Cairo and Perry. Cairo and Perry were defeated twice by the Lions. The Baby Lions also tied Moultrie. Spud Fitchner, Johnny Petrandis, and Joby Kidd were elected as tri-captains by their teammates at the end of the season.

Coach Fred McElwee did a commendable job as Junior Varsity coach this year.

Leon had a very respectable 16 won and 6 lost record even though there were only two seniors on the squad. All six of Leon's losses were out of town, thus extending the Lions' home court winning streak to 33 contest.

Leon suffered only four regular season losses. They were also beatened by Bishop Kenny in the N. E. C. playoff and by Pensacola in the District I Class AA Championship playoff.

Track

Under the watchful guidance of Coach John MacElwee, the 1957 track team racked up one of the best seasons in Leon track history. This year's team, captained by Randolph Casey and Steve Long, went undefeated in official dual and triangular meets, captured the Fletcher Relays for the third straight year, won the N.E.C. Championship and qualified 10 boys and two relay teams for the state track meet.

This year's team also improved on several school records. Towering Pete Lund set a new school standard in the high jump with a leap of 6' 3". Terry Long also erased both hurdle times down a notch by running the high hurdles in 15.6 seconds and the low hurdles in 20.6 seconds. Jimmy Frohock tied the record in the 100-yard dash by running the event in 10 seconds flat.

Lawrence Fuller, Randolph Casey, Richard Husband, Carl Essig, practice hand-offs for the relays.

Swimming

For the second consecutive year Leon's swimming and diving teams have qualified to compete on a state-wide level.

The team swam away with high honors at both the District and State meets. The team boasts lettermen this year, including such standouts as: Sheila Coldwell, Linda Austin, Kitty Bayfield, Mark Calhoun, Linda Gormley, Dotty Pope, Kathy Pope, John Ray, Johnny Townsend.

Swimming is the only sport at Leon where both girls and boys are given a chance to earn athletic "L's".

This year's team will loose only one graduating senior, Sheila Coldwell, who has previously lettered. So the potentiality for next year is unlimited! Our underclassmen show unlimited ability and have resources which will be brought out by more experience.

Our hard working diving team is composed of such state-wide known figures as Linda Gormley, who lettered last year too. Considering that this is Leon's second year in competition the squad has done exceptionally well under the direction of their coach Alf King.

Linda Gormley displays her winning form.

The Lions finished second to Gainesville in the Western Division of the N.E.C. for the second year in a row. Leon was hampered by a small pitching staff, consisting of righthander Don Hanson, who went 2-2 for the season and junior righthander Keith Pitchford who was 4-1 for the season. The Lions' hitting attack was led by junior catcher Max Cole with an even .400 average, while Captain Jack Dull hit a respectable .333 average.
